

# Social/Fundraising

Organize and plan events throughout the year for both children and adults to allow residents an opportunity to meet and socialize with neighbors as a community.

Identify events, estimate cost, recruit volunteers, notify community through newsletter and posting signs.

Example of possible CMIA events:

- Annual community picnic
- Crab Feast
- Pig roast
- TGIF's
- Holiday events (Easter, Halloween, Christmas)
- Sporting events (volleyball, Orioles games, ski trip)

Identify means for raising money to support community projects, improvements (grants, etc.) and community events.
